

# ServClean®

## FOAM DG

Penetrating foam cleans better, rinses easily

### Description:

A penetrating **foam** cleaner for walls, equipment & floors.  
Breaks down organic material and loosens embedded soils.  
Rinses easily. Wet penetrating foam cleans deep – saves labour.  
Highly concentrated formula assures economy in use.

### Product Code & Size

29313-4  
4 x 3.78 L

### Product Use:

Best results when applied with a foam gun or pressure spray unit.  
Remove or cover all foods in areas to be cleaned. Rough clean and scrape gross deposits of waste matter, bone, oil, and fat or meat particles from surfaces to be cleaned. Remove hand tools and cutting boards for hand cleaning. Open all mixers and saws.

### Dilution:

#### Light to Moderate:

Dilute 1:40 (22 mL/3 oz.) to 1:20 (52 mL/6.5 oz.) per 3.78 L/1 US Gal. parts of warm water.

#### Heavy Cleaning:

Dilute 1:20 (48 mL/6 oz.) to 1:10 (104 mL/13 oz.) per 3.78 L/1 US Gal. parts of hot water.

### Directions for Use:

Allow ServClean® Foam DG to work for at least 5 minutes. Scrub surfaces as required. Rinse surfaces thoroughly with warm potable water and allow to drain completely before reusing.

### Personal Protection:
